- 2025       **Human Development: Adulthood and Aging**  
Summer     Instructor of record, Cornell University
- 2023-25     **Essentials of Teaching Institute**, Center for Teaching Innovation, Cornell University  
Fall         Co-instructor of online workshops on Essentials of Teaching
- 2024-26     **U-wide Conference**, Center for Teaching Innovation, Cornell University  
Spring      Co-instructor of in-person workshops on Teaching Portfolio and Active Learning
- 2024       **Human Development: Adulthood and Aging**  
Fall         Instructor: Prof. Corinna Löckenhoff, Cornell University  
              Teaching Assistant
- 2024       **Introduction to Human Development**  
Summer     Instructor of record, Cornell University
- 2023, 25     **Human Bonding**  
Spring      Instructor: Prof. Cindy Hazan, Cornell University

		Teaching Assistant for over 1,200 enrolled students, leading three undergraduate TAs on grading and feedback
2022	<b>Introduction to Social Psychology</b>	
Fall	Instructor: Prof. Thomas Gilovich, Cornell University	
	Teaching Assistant	
2022	<b>Introduction to Cognitive Science</b>	
Summer	Instructor: Dr. Adam Broitman, Cornell University	
	Teaching Assistant	
	Guest Talk on <i>Cognitive Aging: Brain, Attention, and Memory</i>	
2022	<b>Human Development: Adolescence and Emerging Adulthood</b>	
Spring	Instructor: Prof. Robert Sternberg, Cornell University	
	Teaching Assistant	
2021	<b>Human Development: Infancy and Childhood</b>	
Fall	Instructor: Dr. Karin Sternberg, Cornell University	
	Teaching Assistant	
2020	<b>Psychological Statistics</b>	
Spring	Instructor: Prof. Xin Zhang, Peking University	
	Teaching Assistant	

## TEACHING DEVELOPMENT

2025	<b>Teaching with Technology Workshops</b> on <i>Learning without AI: Designing Assignments and Course Policies and Human-Centered GenAI for Teaching and Learning</i>
2024	<b>Ivy+ Teaching Transformations Summit</b>

## RESEARCH EXPERIENCE

2023	<b>Research Assistant</b> , Weill Cornell Medicine (PI: Dr. Karl Pillemeyer, Dr. Iggy Chang) - Projects on Resident-to-Resident Elder Mistreatment (R-RREM) in nursing homes and assisted living facilities - Project on Estrangement among family members
2018–20	<b>Research Assistant</b> , School of Psychological and Cognitive Sciences, Peking University Life-span Development Lab (PI: Dr. Xin Zhang) - Undergraduate independent research on the impact of aging stereotypes on older people's risky decisions
2019	<b>Research Assistant</b> , Department of Cognitive, Linguistic & Psychological Sciences, Brown University

- Summer internship in the Perception, Action and Cognition Lab (PI: Dr. Joo-Hyun Song)  
 - Designed and conducted action experiments using Sketchup, MATLAB Psychtoolbox, and movement tracking pad  
 - Analyzed data on hand movement trajectory and reaction performance using MATLAB.
- 2019** **Research Assistant**, Department of Psychology, Yale University  
 Summer internship in the Affective Science and Culture Lab (PI: Dr. Maria Gendron)  
 - Conducted natural language meaning analysis using Meaning Extraction Helper and ZhToken

## OTHER PROFESSIONAL DEVELOPMENT

- 2024** **SRNDNA Computational Modeling Workshop**, University of Pennsylvania
- 2024** **Colman Leadership Program**, Cornell University
- 2024** **Pathway to Success Program**, Cornell University
- 2024** **CAPS—CPR Conferences on U.S. State Policies, Population Health, and Aging**,  
Syracuse University, Cornell University
- 2024** **Building Future Faculty Program**, North Carolina State University
- 2023** **NextGen Professors Program**, Cornell University
- 2023** **Translational Research Summer Institute**, Bronfenbrenner Center for Translational Research, Cornell University
- 2023** **Library Immersion Program**, Olin Library, Cornell University
- 2017** **Visiting student**, Oxford University

## SERVICE

- 2025-26** **Senior Lead Fellow** of Center for Teaching Innovation, Cornell University  
 Leading a team of 20 graduate teaching fellows in developing workshops on teaching and pedagogy
- 2024-25** **International Teaching Assistant Program Advisory Committee**, Cornell University
- 2023-25** **Diversity and International Students Committee**, Graduate and Professional Student Assembly, Cornell University
- 2024** **Judge** of the Cornell Undergraduate Research Spring Symposium Forum
- 2024** **Representative** on Cornelia Ye Teaching Assistant Award Selection Committee
- 2023-24** **Mentor** of Graduate Students Mentoring Undergraduates Program, Office of Academic Discovery and Impact
- 2023** **Lab representative** of Hunter R. Rawlings III Cornell Presidential Research Scholars program
- 2023** **Volunteer Tutor** of Consider Cornell grad diversity recruitment weekend, Psych. Department, Cornell University
- 2022-24** **Graduate Student Committee**, Psych. Department, Cornell University

Organized student activities such as job talks, informative sessions, panels, and town halls; coordinated with the Director of Grad Studies and Grad Field Assistants; assisted in Ph.D. recruitment day and open house; organized the election for new student members on the committee

- 2021 **Invited speaker**, School of Psychological and Cognitive Sciences, Peking University  
Talk on *Why you should (or should not) apply for a Ph.D. program*
- 2020-23 **Part-time mentor** for Extended Project Qualification, Beijing  
Instructed high school students to conduct their research projects in social science, which are evaluated by the Universities and Colleges Admissions Service of the UK
- 2017-20 **Student Psychological Association (PKUPA)**, Peking University

## REVIEWING EXPERIENCE

- 2023-25 **Ad Hoc Reviewer** for *European Journal of Social Psychology*, *British Journal of Psychology*, *Current Psychology*, *Translational Issues in Psychological Science*, *Health and Social Care in the Community*, *Acta Psychologica*, *International Journal of Developmental Science*
- 2022-25 **Conference Abstract Reviewer**, The Gerontological Society of America  
Reviewed abstracts of posters and symposia for the annual conference
- 2022 **Undergraduate's Honor Thesis Reviewer**, Cornell University  
Lauren Mei '22, Thesis title: *The Role of Verbatim vs. Gist Formatting on Age-Differences in Information Avoidance*

## RESEARCH METHODS AND SKILLS

Transparency & Openness:	Data Collection:	Data Analyses:
AsPredicted	In-person experiments	R, SPSS & AMOS, SAS,
Open Science Framework	Qualtrics surveys	MATLAB, Excel, Stata,
Github	Motion-tracking pads	G*Power, Psychotoolbox

## PROFESSIONAL AFFILIATIONS

- Gerontological Society of America                      International Honor Society in Psychology  
Society for Personality and Social Psychology      International Society for Self and Identity  
Association of Psychological Science
